PROFESSIONAL SUMMARY

Motivated PHP Developer, Full Stack Developer, and Web Developer with 3+ years of hands-on experience and 20+ successfully delivered projects across diverse industries. Expert in PHP, MySQL, HTML5, CSS3, and REST API development. Proficient in the MERN Stack (MongoDB, Express.js, React.js, Node.js) and Laravel. Founder and CEO of RANKHOSTZONE — a live operational web hosting company — demonstrating strong technical ownership, full server management, and entrepreneurial capability. Passionate about building scalable, clean, and user-focused web solutions. Actively seeking full-time opportunities with growth-oriented companies across India.

TECHNICAL SKILLS

Backend: PHP (Expert), Node.js, Python, Laravel, REST API Design
Frontend: HTML5, CSS3, JavaScript (ES6+), React.js, Bootstrap 5, jQuery, Tailwind CSS
Database: MySQL (Expert), MongoDB, Database Design & Optimisation
CMS: WordPress (Expert), Custom Theme & Plugin Development
Server & Hosting: cPanel, WHM, WHMCS, VPS Management, Shared Hosting, DNS, SSL/TLS
Tools: Git, GitHub, VS Code, Postman, Figma, Microsoft Excel

WORK EXPERIENCE

Founder & CEO / Lead Web Developer · RANKHOSTZONE

Jan 2024 – Present

- ▶ Founded and actively operate a live web hosting company at rankhostzone.in, offering shared, VPS, and dedicated hosting to clients.
- ▶ Architected and developed the full company website using PHP & MySQL, including admin panel, client portal, and service management system.
- ▶ Manage complete server infrastructure — cPanel/WHM, WHMCS billing automation, DNS management, and SSL deployment.
- ▶ Handle all business functions: product roadmap, pricing strategy, client acquisition, technical support, and growth operations.
- ▶ Implemented server security protocols, performance optimisation, and 99.9% uptime monitoring.

Freelance Web Developer · Self-Employed

May 2022 – Present

- ▶ Successfully designed, developed, and delivered 20+ custom websites and full-stack web applications for clients pan-India and internationally.
- ▶ Built scalable solutions using PHP, MySQL, Node.js, React.js, Laravel, and MongoDB on cPanel and VPS environments.
- ▶ Managed complete project lifecycle: client consultation, UI/UX design, development, testing, deployment, and post-launch support.
- ▶ Integrated payment gateways (Razorpay, PayPal), third-party APIs, and custom admin dashboards tailored to client needs.
- ▶ Delivered mobile-first, SEO-optimised, cross-browser compatible websites consistently on time and within budget.

Web Development Intern · Adventure Technology Solutions

Jul 2024 (2 Weeks)

- ▶ Completed a professional internship contributing to live web projects in a structured team environment.
- ▶ Applied full-stack frontend and backend skills under the guidance of senior developers.
- ▶ Gained practical experience in code reviews, Git workflows, and structured deployment practices.

EDUCATION
